Tim felt angry as he got off the train. He has lost his pocket, because of his sister. Then, when he was going to the university, suddenly ~~some~~ his phone rang. It was his sister. She said: "Today is Foolday! I know a lot of jokes, do you want to listen ^{to} them?"

Tim didn't want it, of course. He doesn't like this day and this celebration, so he ended the conversation.

When he was near the university, he met his friend, James. He suddenly appeared and hit Tim's forehead.

During the lessons everything was quite okay, but in the end ^{of} the day his sister come to Tim's university. She studied there before Tim, so she has a lot of friends. She started telling funny (in her opinion) stories about Tim and their childhood. It was one of the worst Tim's day. 42
