Tim felt angry as he got off the train. He understood, that he missed his station and the next train will come in hour. He decided to go to the café to drink coffee. When he got there, he saw very long queue and he felt more angrier. He stayed in this queue for half an hour and when he came out he saw that the train will come in five minutes, because the timetable on a railways was incorrect. He ran to the station as fast as he could and when he got there, train was already here and Tim was in time, but when he got on, he saw from the window his train on the next line. After that Tim was very dissapointed. That was the unluckiest Tim's day.
